MEMORANDUM FOR: Project Director

SUBJECT : CIA Collection Activities Against the
Soviet Guided Missile Program

1. I received the attached from OSI. I pass it on for your information.

25X1A9a

2. I understand that this was prepared by [REDACTED] of the Guided Missiles Division for [REDACTED] Chairman of the GMIC, 25X1A9a in pursuance of a White House request received through either Mr. Dulles or General Cabell. I understand that Tab A of this paper (this present one being Tab B) deals with other CIA collection activities than AQUATONE.

25X1A9a

3. It may be, at least [REDACTED] suspects, that Killian's office is involved in the request for the paper.

4. I see no objection to what has been written.
